

Petitioner In Pro Per.

IN THE UNITED STATES DISTRICT COURT
FOR THE NORTHERN DISTRICT OF CALIFORNIA

FIKRI BAYRAMOGLU,

CASE NO.: C 03-0277 VRW (PR)

Petitioner,

vs.

BEN CURRY, et al.,

MOTION FOR RECONSIDERATION OF ORDER OF
DISMISSAL. IN THE EVENT OF DENIAL, MOTION
FOR CERTIFICATE OF APPEALABILITY. SUBJECT
TO PRE-FILING REVIEW ORDER, NINTH CIRCUIT
CASE NO.: 07-80059.

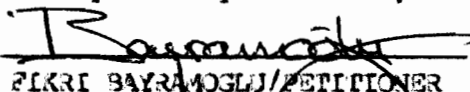

Respondent(s).

1. On May 30, 2008, the court filed above entitled order. Petitioner respectfully disagrees with the court, based on the fact that the denial of "...loss of prison credits is a cognizable claim for habeas relief,..." According to Hon. Dennis L. Beck, Magistrate Judge, U.S. Dist. Crt. (SD) Fresno Div. Case NO.: CV-F-97-5956-REC-DLB. "...Court VACATES its November 12, 1997 Findings and Recommendations, IF SO ORDERED." Date: 30 December, 1997.

2. The review of the file will show that the respondents are in the collective conspiracy in denying inmates prison work assignments, in order to deny inmates prison work credits, with sinister reasons for longer incarceration, and denial of parole for failure to work and program. Fact of the matter is the inmates cannot go downtown, in order to get a job, and prison work credits, in order to accelerate their release on parole, "a liberty interest."

3. 42 USC § 1933, as petitioner understands, does not have a jurisdiction to grant or order prison work credits, or release on parole, based on those prison work credits. Based on the foregoing facts, petitioner respectfully requests court to reconsider its order of dismissal in this matter, and in the event of denial of this motion, petitioner requests a certificate of appealability, so that he may appeal this matter in the USCA for the Ninth Circuit. Dated: 6-5-2008.

Respectfully submitted,

FIKRI BAYRAMOGLU/PETITIONER

Copy Provided To: USCA for the Ninth Circuit.
